Volume 13, Issue 4

August 2010

## ★ CAPTAIN'S CORNER ★

### **Howdy Pards,**

Well summer is definitely here. We have had a hot and humid summer so far. Please remember to stay hydrated while shooting in the heat and humidity. Our bodies undergo more stress in this weather and none of us are as young as we used to be.

We had our Annual Meeting / Free Shoot on Sunday July 11th at the St. Joseph County Conservation & Sportsman's Club in Sturgis put on by the Hidden Valley Cowboys. We had about 50 shooters enjoying the free shoot. Thanks to Sauk Valley Stubby and Sauk Trail Mike for doing the organizing.

We did something a little different this year with the Annual Meeting / Free Shoot. To encourage our members to attend, the Board decided to give some prizes away to Wolverine Ranger members in attendance in a random draw. The winners were: First Prize - \$400 cash to Lady Lightning. Second Prize - Free 2010 Range War entry to Catlow. Third Prize - Free 2010 Range War entry to Laporte Lil. Congratulations to the winners.

Tessa Two Gunner spent the last year keeping track of the clean shooters and awarded the Clean Match Awards at the Meeting. The winners were : Ladies - Ruby Red Jo and Cactus Kay; Men's - Dakota Fats. Thanks to Tessa for doing the work on this all year long.

Snareman gave the Treasurer's Report and provided copies of the a report on the financial condition of The Rangers. Any member is welcome to contact Snareman to obtain copies of any of our financial documents at DickDennison@comcast.net. Thanks to Snareman for getting our finances in order.

Lainey Mae gave the Membership Report and reported that we have 225 members representing 185 families with 38 significant others and 2 juniors with 14 new members. Thanks to Lainey Mae and Card Shark Charlie for taking over the membership duties.

Thanks also to Laporte Lil our Webmaster for quickly and efficiently keeping our website up to date with announcements and other news. A final thanks to our Range War Match Director Deuce Stevens. Deuce is a great ambassador for our sport and the shooting that he does in the region and throughout the country helps us to promote Range War.

Enjoy the summer and remember and pray for our service men who fight and our veterans who have fought to keep our freedom and liberty alive in our great country. Shoot safe, fast and clean.

Best regards,  
*R.J. Law*

### ***Special Prayer Request***

My grandson, Geino, was born 10 weeks early on April 14 and weighed 2lb 7oz. A few days after he was born we found out that he was Trisomy 21 (downs). He spent the first 8 weeks in the NICU at Helen DeVos Children's Hospital and he came home with a feeding tube. He was home for about a month and on the 4th of July he became unresponsive. My daughter, Shannon, rushed him to Mercy Hospital in Muskegon and he was admitted back to DeVos ICU. He had heart surgery and a lung biopsy. The latest report was the top part of his right lung has collapsed and he has fluid in his lungs. They are trying to wean him off the ventilator, so that he can be held to help clear his lungs. That's the sad part, all this time he's been there, he's been sedated and we were not allowed to touch him...not even his Mother.

So we a hoping with a few extra prayers and some help from God, we can get this little cowboy home with his mom, where he belongs.

Thanks,  
**Crazy Mingo**

## L.C.S.C. COWBOYS GREAT LAKES MATCH #13

The L.C.S.C. Wranglers Great Lakes Match #13 was held over Memorial Day weekend May 29-31. A third day was added this year to the shoot calendar for the purpose of adding a "Wild Bunch" match under the able direction of Flat Water Johnny, our resident "Wild Bunch" expert.

Saturday dawned bright and clear – an excellent day for shooting with one exception...the temperature was already around 80 degrees in the sun at 7am. With it expected to go into the high 80's or mid 90's, our supply of bottled water would come in quite handy! 43 shooters, including 3 Canadians, joined in the Pledge of Allegiance and the match stages got underway.

We also added an extra stage to each of the Great Lakes Match format giving us a total of 12 stages for the shoot. Don't tell me you didn't get more bang for your buck here at lovely Lapeer! Flat Water Johnny, Four Finger Carl, & Wolfcreek Tom led their respective posses through the first six stages in world record time so that the Side Matches could be shot before our dinner was served at 6pm. Side Match winners were:

.22 Pistol-Three Duces Mckee #24539; .22 Rifle-Bad Brass #84355, Pocket Pistol-Andy Horshurodinon #20360, Derringer-Rotten Rob, Long Range Rifle-Four Finger Carl #60694, Long Range Rifle SS-Cartucho Kid #68060, Long Range Rifle Pistol-Cal. Clint Chisum #42877, Long Range Pistol-Hardtabe Humbolt #85586, Man on Man-Clay Creek #65874

The money collected from the Man on Man shoot enabled the L.C.S.C Wranglers to donate \$100 to the Kimberly Gillary Foundation for purchasing defibrillators for Michigan school systems. Further information is available at [www.Kimberlysgift.org](http://www.Kimberlysgift.org).

The cowboys answered the cook's triangle around 6 p.m. at the clubhouse for our traditional evening meal and costume contest. Our meal was prepared by Countryside Banquet Center and Catering. New York Strip Steaks and Boneless Chicken Breasts were the main features along with all the trimmings. Various desserts were provided by our lady shooters and others to round our splendid meal. If you went away hungry, all I can say is "tough luck." During dinner, the costume contest was judged and the winners were: Best dressed town person-male-Horse Whisper #74419 Our own George Boisineau, Best dressed town person Female-Sassafrass Lori #66058 Our own Lori Roper, Best dressed Jr. cowboy-Cody Wales #40936, Best dressed Jr. cowgirl-Hawk Woman #79105 Our own Sandy Boisineau, Best dressed cowboy-Horsekeeper #59867 Our own Bob "Doctor of Horse" Becker, Best dressed cowgirl-Bea Sweet, Our own Jennifer Maxwell.

Sunday dawned as an almost repeat of Saturday with the exception of a few degrees cooler. The final six stages were shot and everything went smoothly with the possible exception of shooting the knockdown shotgun targets built by Horsekeeper. Shooters learned quickly that they had to aim and hit the targets with more than just a few bb's to get them to go down and stay down! Seriously folks we have addressed the "knockdown" problems with the new targets and by this time next year all problems should be gone.

We hope everyone noticed that we are slowly but surely eliminating some of the "sore spots" in our grounds and in general trying to make the shooters visit with us as pleasant as possible. During the coming year we should see the road thru "Wranglerville" completed with more stone making the down and up portion much easier to travel. As they say, stay tuned...you ain't seen nothing' yet!

Scores were totaled and the results printed while the shooters kept busy trying to bust 4 x 4s in half with rifles and shotguns from the Van wagon. With that activity completed, the shooters gathered in the clubhouse to get their stat sheets and see who were the class and overall Match winners: Overall Match Winner-Moe Gunns #26854, Forty Niner-Bad Brass #84355-Traditional-Clint Chisum #42877, Senior-Cody Wales #40936, Gun Fighter-Clay Creek #65874, Duelist-Kentucky Drifter #85997, Black Powder-Mike Fink #29047, Classic Cowboy-Four Finger Carl #60694 Our own Carl Roper, "B" Western-Wolf Creek Tom #34973 Our own Tom Maxwell, Modern-Crow Bait #20275 Our own Phil Huber, Women's-Bea Sweet Our own Jennifer Maxwell.

Special thanks to the people who the L.C.S.C. Wranglers make this event a success: Van and Mary Starkey, Tom and Jennifer Maxwell, Carl and Lori Roper, John Rose, Nathan Hall, Jack Briggs, Charlie (Dr.

Bob) Becker, Greg Harper, Dick Schalau, Chad Starkey and family, our “jacks-of-all-trades”, Rob Hoetger, George and Sandy Boisineau, Rod Wentworth, and Gary MacArthur. To all you folks, many thanks for your time and effort!!! We couldn't have done it without your help.

Also, a very special thank you to all our banner sponsors: Lenny Millers of Dryden, Rosy Bros. of Dryden, Patterson's Pharmacy of Oxford, Cubbies Trophies of Oxford, Charles Becker D.V.M. of Oxford, Williams Gun Sight Co. of Davison, Otisville Gun Barn of Otisville, Randy Gillary of Troy.

A great time was had by all the shooters and helpers and hopefully we'll see even more of you for Great Lakes Match #14 in 2011.

### *Message from the Caribbean*

Hi all Ranger members,

I am Attica Jack. I shot my last Range War in 2004. A week later I sailed along with my wife Allayne from Michigan to the Caribbean on our sailboat Audrey Paige.

I just wanted to let you know that whenever I can get the internet, I read the Epitaph and I am always interested in what has been going on with the Rangers.

I am really sad to read about members passing and health problems, but we all are getting older. I come back to the states once a year, and visit with some Wolverine Rangers that I have shot with. I've looked but, there are no cowboy clubs in Panama.....Keep up the good work!

*Attica Jack*

### **A.P. GOODRICK RIFLE & PISTOL CLUB ITHACA**

Howdy pards:

There comes a time in every single shot shooter's life when a chance presents itself to start running with the big dogs or remain with the Chihuahuas. Well bub, this just might be your chance! On October 1<sup>st</sup> and 2<sup>nd</sup>, we will be putting on an event where all the firing on both days will be from 600 yards. 600 yards you say! Now don't get your panties all bunched up 'cause even though you've never shot past 100 or 200 yards, it's not as hard as you think. If you can keep all your shots in a 6 inch bullseye at 100 yards or a 12 inch bullseye at 200 yards, you should have no trouble keeping all your shots in the scoring rings at 600 yards.

All firing is done from the prone position from X-sticks and consists of 3 stages of 15 shots on Saturday and 2 stages of 15 shots on Sunday. What could be easier for a newcomer than that? Get your sight settings and practice on Friday Oct. 1<sup>st</sup>, then camp on the range, sleep in the clubhouse or even get a motel. If you can't come up on Friday, you can get your sight settings before the match starts on Saturday at 9:00. You can shoot one day for \$25.00 or both days for \$50.00. Why not team up with a few of your pards to split the fuel costs and save a few bucks?

One of the hardest things for someone to do is to leave their “comfort zone” and try something new. NO MORE EXCUSES! That Sharps, High-wall, or Roller of yours was born and bred to shoot at long range. We are really fortunate to have the opportunity to shoot on a 600 yard range because there aren't that many in our state. Most of you are limited to 100 or 200 yards so don't pass up this chance!

It may be the last time you get to do this because a poor turnout will probably mean zero chance we will ever be invited back. For more info contact me at spidercontrolinc@aol.com.

## THE DOUBLE BARREL GANG HASTINGS

Howdy! Well summer is half over and it don't seem possible. The Double Barrel Gang held its July match and without rain again. We had 25 shooters at our match. Congrats to Hair Trigger Eldon for winning the match. Slippery Pete was runner up. Ruby Red Jo was the top Lady.

There were 7 clean shooters Ruby Red Jo, Slippery Pete, Hair Trigger Eldon, Johnny Bingo, Ledge Lady, Double Back Dakota, and Morpeus Lane.

Double Barrel Gang will be shooting on August 8th Tiny and his four brothers are ready to take on all comers.

The Double Barrel Gang would like to invite all to come out and shoot with us this season. We hope it works out for you now that we will be shooting the second Sunday. We are going to try lunch up town at the Big Boy.

Have fun, shoot straight and keep your powder dry and we will see ya down the trail.

*Dakota Fats said all that.*

## SUCKER CREEK SADDLE & GUN CLUB

Due to missed communications, we missed submitting articles to several past issues of the Epitaph so here's a recap of this year's activities.

We started the year by building a new 24x48 pavilion. Thanks to the many cowboys (especially Gold Tooth Dave) and cowgirls that spent several days helping with the construction and lunches. It was finished in early May.

You can check out all the stages of the construction on our website. So far we have

received a lot of good comments about the new pavilion. Square Shake Lake and Spring Valley Cathy always put on a good lunch and it sure is nice to eat lunch in the shade of a big pavilion.

The May 15th "Just Shoot'em" match had Deuce Stevens, Colt McAllister and Ketchum Quick as the top three overall shooters (by time). Eight shooters had a clean match.

On our June 19th "Gunfighter/Lawman" match, the top three shooters were: Doc Noper, Shoulda Dun Gun and Lightning Wayne. There were 11 shooters that had a clean match!

The top shooters at our "Shooting Gallery" match on July 17th were: Nunica Kid, Slo Mo and Hair Trigger Elden with Bad Brass, Cactus Kay and Johnny Bing-go shooting a clean match.

If you haven't been to the Sucker Creek Saddle & Gun Club this year you still have three more shoots to come out and enjoy the friendship of your fellow shooters. Our next match is August 21st and it promises to be a lot of fun.

Don't forget to check our website "SuckerCreek.org" for pictures, scores and other good stuff.

*Hope to see you soon "Down at the Creek".*

Regards,  
Wolverine  
Wrangler

## **BUTCHER BUTTE BUNCH FENTON**

Howdy from The Butcher Butte Bunch, thanks to everyone that attended our match on July 11, we had 28 shooters and everyone had a good time. Grubby's Gal cooked up a great lunch for us, and our two new Brass Belle's are hooked on Cowboy Action Shooting, one of them even got to shoot a stage. See you all at Range War and remember we have our last shoot of the year the weekend after that.

Thanks to all for the help in getting the Butcher Butte Bunch started.

## **STRAIGHT SHOTS FROM SAGINAW**

We'll be posting our 2-day shoot information in the next Epitaph. And don't forget, we have a shoot on Aug. 28<sup>th</sup>. This will be a perfect match to get you warmed up for our State Shoot. For now, we'd like to share a part of our trip out west. We decided this was the year to shoot End of Trail. We had a wedding to attend in Wyoming (what a great excuse to head west) and figured why not make a BIG circle, via New Mexico. Once our covered wagon was loaded, we headed into a sunset that promised wonderful adventures. And that, they were!

End of Trail is held outside of Edgewood, New Mexico, on SASS's Founder's Ranch. This year, SASS was celebrating its 29<sup>th</sup> End of Trail, along with Tex and Cat Ballou's 50<sup>th</sup> wedding anniversary and the Judge's 80<sup>th</sup> birthday. When we arrived at the ranch, we looked down on the cowboy town, quietly waiting for us. Longhorn cattle and a buffalo or two roamed the outer perimeter. And behind the town we saw the bays – lined up like soldiers, waiting for action.

Parking is on a huge hillside, overlooking the town. Fancy mercantile shops, saloons, eateries and vendors created a living, breathing town, complete with cowboys and cowgirls, dressed in period clothing. It was really exciting talking with folks like China Camp's wife & daughter, Evil Roy, Holy Terror, Billy Boots, Badlands Bud, the Wild Bunch, and even t.v. celebrity, Tupelo Flash. But getting to know the pards of our posse was just as great.

The weather was warm and sunny, except for a few splatters of rain drops, which didn't last too long

in the dry climate. An occasional dust devil would whirl down mainstreet, and we thought we caught a glimpse of Pecos Bill hanging on for dear life. But, maybe our eyes were playing tricks. We did follow everyone's suggestions to drink lots of water and use Chapstick. Forgetting sunscreen a couple days was a tender reminder to Ethan's face and Katie's nose that at a 7,000+ elevation, you can end up looking like a crispy critter really fast.

The scenarios weren't too bad but competition was tough. This year, 500+ cowboy shooters came from the U.S. and locations as far as New Zealand, Australia, Austria, Italy, France, Canada, and even from...St. Charles, Michigan. The warm-up match went well and side-matches found Marty winning the "fastest pistol time" award. Ethan won "fastest derringer time" and also took Third Place in the Wild Bunch Match. Katie just got lucky and won an EMF .357 pistol in a drawing and also won a \$50 gift certificate for a shopping spree at the mercantile. Talk about a lady's "dream-come-true".

Now, what about those 3 days of "main match mania"? Shooting, wondering, sweating...how would it end? Why, shucks, folks! You probably heard about it by now. Our old Michigan gunfighter shot his way to the top and is this year's World Champion Senior Gunfighter. Ethan ended up with a 7<sup>th</sup>. place Duelist buckle and Katie took 5<sup>th</sup>. Lady Senior...and shot a clean match. And yup! We're all just a grinnin'!

Our trip to End of Trail was a true adventure and we're glad we had the opportunity to do it. We're also grateful for the whole wagonload of encouragement and well wishes we received before we left. Dreams do come true. Just ask that old, grinnin' gunfighter.

We hope you can make our August. 28<sup>th</sup> shoot and don't forget Range War. Until then, remember to live life. Give it your best shot.

## **EAGLEVILLE COWBOYS**

The Eagleville Cowboys' July shoot was almost drowned out by the rain here in Northwest Michigan. While our match director, Pichacho Red, was conducting our safety meeting the rain was pouring down on the canvas roof we were all trying to get under. But, by the time he was done with his words of wisdom, the rain stopped and we started on 6 stages written by Tin Pan Sam. All cowboys & cowgirls stayed, they came to Shoot!!

We got thru 5 stages with only a little sprinkle, and then, and then, it opened up on us, so Club president Trusty Rusty called it a day. We had quite a large group show up. When the smoke cleared...yep Marlin Matt & Tin Pan Sam were smokin' up the place again...the following came out on top of their category.

Super Senior - Lightning Wayne, Elder Statesman - One Son of a Gun, Cowboy - Pichacho Red, Duelist - Petoskey Pete, Senior Duelist - Jaybird, 49er - Atlanta Sharp, Lady 49er - Crack Shot Fannie, Wrangler - Bar Gun Hunter, Frontier Cartridge Duelist - Marlin Matt, Ladies Frontier Cartridge - Senorita Vaquero, Frontier Cartridge - Tin Pan Sam, B Western - AZ Carebear, Ladies Senior - Wynot Me. Top Gun, of course - 'little' Lightning Wayne.

Birdshot Betty did her usual best of keeping the 'hungries' away including some great watermelon. She asks that those who will be attending our 'Eagles Revenge' 2-Day Annual Shoot in September to pre-register so she will be better prepared for feeding all the cowboys. You can pre-register with Trusty Rusty at 231-258-432 or email [rsdebolt@wildblue.net](mailto:rsdebolt@wildblue.net).
